Brother Knights,

We've had another busy month...wine tasting, tuition banquet, In His Name and other stuff. A very big THANKS to all those that helped and participated in all of our events.

Please save the date....March 27th! This is the major degree for the year. Those of you that are First Degree Knights, please plan to attend this major degree to attain your Second and Third Degree. You will even receive lunch at no cost. We have many First Degree Knights in our council so I hope we will have many at this event on the 21st.

I look forward to see you at our next meeting!

Our next meeting is Tuesday, March 8th at 7 PM. I hope to see you there!

INITIATION TO BE HELD AT LOURDES
ON SUNDAY MARCH 27

Our yearly initiation for First, Second and Third Degree candidates will be held on Sunday, March 27. Exact time of start has not been set, but it will be early morning for First Degree, and later morning for Second and Third Degree. We have about 25 Knights that have received the First Degree, and should be initiated into Second and Third Degree.

If you are a First Degree Knight please make an effort to attend this initiation. Second and Third are only held in Rochester once a year, so if you miss this it will not occur for another year.

I have been in Florida for about three months, but will be home shortly-probably by March 15. I intend on call each of you to urge you attend. If you know you are going to attend, please e-mail me at huntjohn@charter.net and tell me you

are coming. It is not going to be easy to reach each of you so that will eliminate some calling. There is no cost for the Second and Third Degrees.

It is the goal of the Supreme Council that all Knights should receive all three degrees. And it is also policy that you can not hold office if you are not a Third Degree Knight. You may not be interested in being an officer, but I do think you be glad to have attended this initiation.

More detailed information will be sent out with exact times. This is a good time to get the initiation done as it does not interfere with spring and summer family activities.
